

Bring your staff **Back to Work**

Introducing our new Back to Work (BtW) Module

The DIVVY Back To Work Module is a simple, cost-effective solution designed to help you bring your staff back to work.

Safe access

DIVVY access controllers use QR codes to open doors, gates and more.

Contactless

You have the option to make this a completely contactless system.

Insights

Easily collect data and generate valuable insights through the cloud.

Get your staff **Back to Work** with DIVVY

sales@divvy.com.au

How it works

Use the DIVVY App on your phone to book work spaces. Scan your unique QR code on the app to access the office. **It's that simple!**

Back to Work features

Duration

Dictate the duration of bookings to meet your business requirements

Reports Portal

Customised reports portal to help you make informed business decisions

24/7 Support

Phone, email and live chat with a 97% customer support satisfaction rating

Your business rules can be applied so staff are booking work spaces when and where you want them too. Staff can also plan their work schedules around their office space bookings.

Want a complete contactless journey for your staff? **Talk to us about your parking today!**
